## BURGLARY CRIME PREVENTION

### Crime Prevention Advice

**Often burglaries are committed by opportunist thieves. Some simple measures can help prevent you becoming a victim of crime:**

- Make sure front doors are closed even when you are at home.
- Remember to lock all doors and close windows both at night and when you go out.
- Keep ladders and tools stored away when not in use or padlock them so they cannot be used for crime.
- Keep small valuables e.g purses, tablets, playstations out of sight of open doors and windows, to prevent opportunist thieves spotting them.
- Store bins out of sight and away from any walls fences and your property so they cannot be used to gain access to your property.

## VEHICLE CRIME PREVENTION ADVICE

### Crime Prevention Advice

- Staff are advised to ensure personal belongings are kept in a safe place, preferably in staff access only areas.
- Keep mobile phones out of sight and/or safely on your person at all times.
- Security mark property and register the make, model and serial number for free with [Immobilise](#)
